AN EIGHT-YEAR-OLD
girl at Hamlin Primary School submitted the following composition on "People" to her teacher:

"People are composed of girls and boys, also men and women. Boys are no good at all until they grow up and get married. Men who don't get married are not good either. Boys are an awful bother. They want everything they see except soap. My mother is a woman, and my father is a man. A woman is a grown-up girl with children. My father is such a nice man that I think he must have been a girl when he was a boy."

SEVERAL years ago Dr. Willard Funk, the eminent lexicographer and dictionary publisher, selected the words here as the pleasantest on the ear of English-speaking people: "Dawn," "hush," "lullaby," "chimes," "luminous," "murmuring," "golden," "tranquil," "mist" and "melody."

After years of research this same expert, in his new book, "Thirty Days to a More Powerful Vocabulary," lists the 10 most expressive words in the English language: The most bitter word is "alone," the most tragic, "death," the most reverent, "mother," the most beautiful, "love," the most cruel, "revenge," the most peaceful, "tranquil," the saddest, "forgotten," the warmest, "friendship," the coldest, "no," the one bringing the most comfort, "faith."

YOUR DOCTOR—and hundreds of other doctors and research workers in the field of medicine—deserve a rising vote of thanks.

Tuberculosis, which had a death rate of 194.4 per 100,000 people in 1900, now causes only 12.5 deaths per 100,000 people. Scarlet fever, diphtheria, whooping cough and measles account for only two deaths among every 100,000 children.

CLINES FOR A DULL DAY is the title of this little ode to which no author has added his name.

When the day is dark and gloomy
And the fog obscures your view,
And you feel there is no challenge
Waiting anywhere for you;
When it's routine you must follow
Through a dreary weather chart,
And you feel the hand of duty
Like a millstone on your heart;
Face the skies however darkened,
When you ache to turn away,
Do the job that lies before you,
Keep your courage one more day!
You can never guess how often
You affect another's life
By the fact you are a doer
Not a quitter in the strife!

FIGHTS FOR WOMEN'S RIGHTS—Mrs. W. B. Hope of Longview (standing), first vice president of the Texas Federation of Business and Professional Women's Clubs, presents her case for equal rights for women before the state Senate constitutional amendments committee. The bill would give women the same rights and responsibilities as men. At left, facing the camera, is Senator George Parkhouse of Dallas and at the right is Senator Bill Wood of Tyler.

Hamlin Hunters Get Snake Drive Prizes

Numbers of Hamlin area people were among the more than 3,000 attendants at the First Rattlesnake Roundup staged Saturday and Sunday at Sweetwater. And four Hamlin rattlesnake hunters who already had attained some sort of a reputation were participants and came back home with prizes to prove it.

Thousands of people from the Sweetwater territory turned out for the event, which began Saturday. However, most of the snakes were caught Sunday.

The hunters were divided into groups and assigned to various places on nearby ranches known to be infested by the rattlers.

In a hunting party headed by Travis Martin were Mr. and Mrs. Don Pyron of Hamlin, Mr. and Mrs. Jack Russell of Hamlin, Gordon Creel, head of the biology department of Wayland Baptist College at Plainview, Maurice Sharp, dean of students at Way-

Wesley Nail Will Head Camp Fire Girls Council Unit

Wesley Nail was elected president of the Camp Fire Council for the Hamlin community for the coming year at a recent meeting of directors of the girls' organization. Other officers named are: Wilson Brannon, vice president; Mrs. Dean Witt, secretary; Mrs. W. T. Johnson, treasurer.

Group organization also was perfected, with the following being elected: Mrs. Ray Johnson and Mrs. Irby Weaver, group organization; Mrs. Arlie Cassie, Mrs. James Josey and Mrs. Irma Wallace, program committee; Ed Croan, camp and grounds; Mrs. Fred Vaughan, public relations; Mrs. John D. Ferguson, adult membership; Mrs. Arlie Cassie and Mrs. W. T. Johnson, nominating committee.

Cooks Will Attend District Rotary Meet

President-Elect C. F. Cook of the Hamlin Rotary Club and Mrs. Cook will be in Fort Worth this week-end for the annual meeting of District 579 of Rotary International.

The sessions will open Sunday and continue through Monday. The district is composed of Rotary Clubs from Fort Worth to the east to Sweetwater on the west, from Wichita Falls on the north to Brownwood on the south.

More Than 1,500 Visit City Schools During Last Week

More than 1,500 people of the Hamlin community, it is estimated by school officials, last week visited the five schools of the Hamlin Independent School District during the annual celebration of Public Schools Week.

This was the biggest attendance ever recorded at school visitation during this annual observance, which has been conducted for some eight years, reported Superintendent of Schools C. F. Cook.

Open house was conducted last Thursday evening in the Primary, Elementary, Junior High School and DePriest School. Visitation was conducted in Hamlin High School Friday evening. All the physical plants, and work by the students in all of the schools were on display during the visitation periods.

Following the DePriest visitation Thursday evening a program of music and short talks was given in the DePriest auditorium, under direction of Principal E. S. Morgan.

Climax of the visitations by patrons and friends at the other schools, a program was presented Friday evening at the high school auditorium under sponsorship of the Parent-Teacher Association. Mrs. E. D. Perrin, P-TA president, was in charge. A musical program was presented by the HHS and Junior High School Bands under direction of Mac Fullerton, director.

Rabbit Drive Slated Tuesday at Dovie

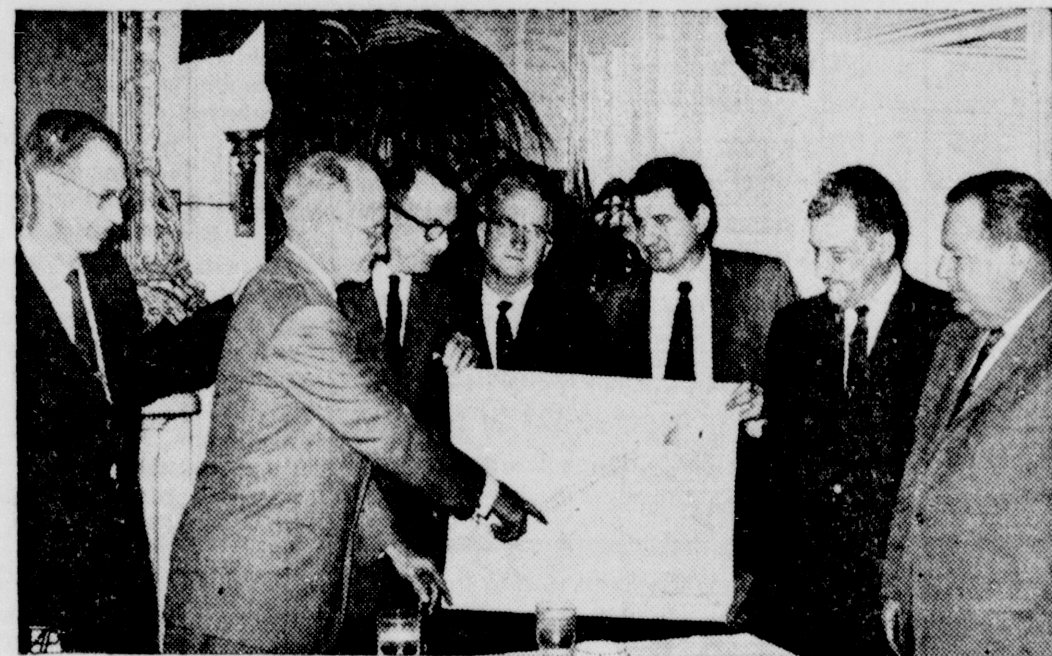

Plenty of good hunting is promised for nimrods of the Hamlin area next Tuesday at the rabbit drive scheduled in the Dovie community, five miles east of town. Hunters will meet at the Dovie church at 7:30 o'clock Tuesday morning, where hunting instructions will be given. Ammunition will be furnished hunters, C. C. Renfro, farmer in the section, declared.

Free lunch will be served to all attendants at noon at the Dovie church, it is announced.

Senior Boys Attend Methodist Youth Meet

Last week-end four senior boys, Gene Murff, Dudley Griggs, Jerry Carlton and Don Shivers attended the Christian vocations conference for Methodist Youth Fellowship representatives from the First Methodist Church. They heard talks on the various fields of Christian work in which young men and women can give full or part time service.

Several hundred young people from the Northwest Texas Methodist Conference attended.

Vincent Baptist Pastorate Taken By Rev. McHugh

Rev. Woodrow McHugh, who had been pastor of the North Central Avenue Baptist Church in Hamlin for four years and two months, Sunday evening preached his final sermon to the congregation.

The minister, who has accepted the pastorate of the Vincent Baptist Church in Northern Howard County between Snyder and Big Spring, resigned his local pastorate at last Wednesday evening's business meeting of the congregation. He had preached for the Vincent church the previous Sunday and that church extended him a call as pastor following last Sunday evening's services.

The McHughs left Monday for their new charge. The family of Rev. and Mrs. McHugh and four children will occupy a parsonage near the church at Vincent. The three oldest children will attend school at Coahoma.

The Vincent church has about 240 members, and had an average Sunday School attendance of 85 in 1958. The local church McHugh has been active in civic as well as church affairs in Hamlin. He was secretary of the Jones County Baptist Association last year, and was an officer in the Hamlin Ministerial Alliance. Membership is about 225, and Sunday School attendance averages about 75.

GOES TO VINCENT—Rev. Woodrow McHugh (above) and family left Monday for Vincent, in Northern Howard County, where he has accepted the pastorate of the Baptist Church. He had been pastor of the North Central Avenue Baptist Church in Hamlin for more than four years.

Harden Memorial Library Given Books By Paper Salesman

Harden Memorial Library has just received a windfall of books from Arthur F. Campbell, salesman for the Texas Paper Company.

As many as 350 books have been collected and presented to the library. Among them are best sellers, mystery stories and non-fiction. According to Mrs. Harden and Mrs. W. O. Willbanks librarian, all are fine readable books.

Campbell is well known to Hamlin merchants, on whom he calls regularly. Officials of Hamlin Woman's Forum, sponsors of the Harden Memorial Library, express appreciation for this gift.

Doc Sims Appointed Red Cross Fund Head

Clyde (Doc) Sims, operator of the Hamlin Pied Piper Drive-In Restaurant, was named campaign director for the forthcoming fund drive in the Hamlin community. It was announced this week by Mrs. Frank Gamblin of Stamford, Jones County Red Cross chairman.

The fund drive in Hamlin is tentatively set for the latter part of March. Further details about the drive will be carried in next week's Herald.

Jones County has been assigned a quota of \$6,000 for this year. No goal had been set for Hamlin, but about \$2,000 will be the quota, Mrs. Gamblin told The Herald Tuesday.

Added Events for Youngsters Will Feature Program

Hamlin Riding Club will be sponsor for some outstanding rodeo events on Sunday, April 5, that are expected to attract several hundred amateur contestants and spectators to the beautiful new arena of the club in North Hamlin.

Plans for the event were approved Monday evening when officers and directors met at the Pied Piper Drive Inn. L. C. Bonds, Riding Club president, presided.

The events, approved by the Texas Barrel Racing Association, with headquarters in Fort Worth, Judy Simmons, daughter of Mr. and Mrs. Woodrow Simmons of Anson, will be hostess for the TBRA-approved events.

All girls of West Central Texas can enter the principal events, it is pointed out, whether they are TBRA members or not.

In the barrel racing event only the first 20 entries will be permitted to participate. An entry fee of \$10 is required. Prizes will be awarded to the first three places on a jackpot basis.

Second big event of the day will be calf roping, in which times for two rounds will determine the winners. Only amateurs can enter, and entry fee will be \$11. Prizes likewise will be on a jackpot basis for first, second and third places.

Additional events have been arranged for boys and girls 12 years of age and under. Ribbons will be awarded to winners in a flag race and a barrel race in these two classes. No entry fee is required.

Bull riding and bronc riding events probably will also be added for the show, Bonds declared. Entries may be filed before the day of the show with L. C. Bonds, president, or Mrs. John D. Ferguson, secretary, it is announced.

The show will get underway at 2:00 p. m. Admission will be 50 cents for adults and 25 for students, with children under eight years of age admitted free.

LaVere Wilson Made Pledge at McMurry

LaVere Wilson, son of Mrs. Pearl Wilson of Hamlin, is one of 19 students now pledging to the McMurry College at Abilene, according to a news release to The Herald.

The second oldest club on the college's campus, Ko Sari is an organization boosting social functions and a friendly spirit around the school.

C. R. Lovell Puts Name on Both of Voting Ballots

C. R. (Charles) Lovell, Hamlin filling station operator and prominent in civic and church affairs of the community for several years, proved to be the iron horse of politics last week when he permitted his name to be filed for places on both the city alderman and school trustee ballots.

The school trustee ballot for Hamlin Independent School District closed last Wednesday evening. Besides Lovell, both the present trustees whose terms expire this year, W. C. Eoff and Richard Young, filed for places on the ticket. Two trustees are to be elected for two-year terms.

Balloting in the school trustee election will be conducted Saturday, April 4, at the Hamlin High school vestibule, where Harold Williams will be election judge. Absentee voting may be done from Monday, March 16, through Wednesday, April 1, at the office of Haskell W. Carter, school district assessor and collector of taxes it is explained.

Before the filing time Saturday at noon expired for places on the city ticket, names of A. Spencer and John V. Howard Jr., whose two-year terms expire this year, were filed for ballot places, after Lovell's name had been filed middle of the week. Two aldermen are to be elected. Election will be conducted at the city hall on Tuesday, April 7. Absentee voting in this election will be conducted at the city hall from Friday, March 20, through Saturday, April 4.

Two men receiving the highest number of votes in each election will be declared elected.

Jones County Raises \$5,158.64 in March of Dimes Fund Drive

Final tabulations on the Jones County March of Dimes recently completed were made this week by Mrs. Ned Moore, county campaign chairman. Total of \$5,158.64 was raised in the county-wide drive.

Several communities had not reported, Mrs. Moore explained, although the campaign is officially over.

Contributions by communities, with the local chairman in each, are listed below:

Stamford, Earl Kiser, chairman, \$2,356.18; Hamlin, Ed Croan, \$1,140.68; Neinda, John Scarborough, \$1,015.50; Anson, T. Furman Cauthen, \$1,227.86; Lueders, Mrs. D. C. Moore, \$277.34; Stith, F. J. McDonald, \$44.58; Hawley, Mrs. Joe T. Smith, \$10.50.

Rabbit Drives Trim Population of Pests

Jones County's over-population of rabbits has been reduced by an estimated 8,000 in recent drives conducted in the Hamlin and Anson regions.

More than 300 hunters participated in recent drives at Radium and Anson, using approximately 15,000 rounds of ammunition.

At the drive conducted last Tuesday at Neinda an estimated 2,000 rabbits were killed.

Two new citizens have been recorded at the Hamlin Memorial Hospital since last week's report in The Herald. A girl and a boy, they are:

A girl for Mr. and Mrs. James P. Anderson of Aspermont arrived March 4. Tipping the scales at six pounds 15 ounces, the little miss was named Lavina Kip.

A boy for Mr. and Mrs. Brady Shadle of Aspermont was born March 6. After having his weight checked at an even nine pounds, he declared Kevin Neil would suit him for a label.

IS THE SMALL FARMER WORTH SAVING?

The Progressive Farmer, one of our favorite magazines, recently had a very thought-provoking editorial entitled "Is the Small Farmer Worth Saving?" Because many people who are concerned with the decreasing farm population, who do not take this magazine, ought to read the article, The Herald prints below some excerpts:

Wherever we've been in recent months people say to us, "The small farm is doomed." In print and from the public platform certain others who call themselves agricultural leaders have told their audiences, "If we would get rid of all these small farms, we'd solve the surplus problem and put farm prices on a sound basis."

To the first group, we have been inclined to say with double emphasis, "If efficient family farms are doomed, then our whole economic and social order is doomed. We cannot maintain the sort of democracy on which this nation has been built if we destroy our family farms." To those who think we can solve farm problems by driving small farmers off the land, the answer is much simpler and much sharper: "You either don't know what you're talking about, or you're deliberately trying to mislead your listeners."

Of course, anyone who knows that this is 1959 also knows that the man who refuses to adopt improved practices or will not adapt his farming to 1959, or who works when he pleases and as he pleases cannot survive. His day is gone. Yet even there we need to make sure that we don't confuse "size of farm" with "acres." A broiler grower producing 30,000 broilers every nine weeks on a 10-acre farm, plus what he makes from other things through heavy fertilization with the manure is not a "small farmer." The family that has developed a good roadside outlet for the products of a 20-acre orchard is not dealing

n "subsistence farming." A 40-cow Grade A dairy with 150 acres in pastures and crops plus 50 acres in timber may seem small to a Western rancher, yet it should gross around \$15,000 or more. Even a mule farmer who knows how to grow and sell good vegetables on a few acres may do well. It is the family with less than \$5,000 income from the farm and no other source of income that has a dismal future.

Now let's look at some specific facts.

From 1950 to 1956 number of farms decreased 16 per cent; during the same period farm production climbed 12 per cent. Our volume of "surpluses" is far greater now. Most of those who left the farms during this period were our so-called "small farmers." Combining small farms into larger units operated by better financed operators will continue to increase production. The past year, with the smallest number of farmers and the smallest crop acreage in many years, we broke all farm production records.

While number of farms decreased 16 per cent between 1950 and 1956, net income from farming (not counting off-farm income) dropped from \$12,900,000,000 to \$9,900,000,000. Income is up. Increased production from fewer farms continued to crowd prices downward. We haven't yet waked up to the simple fact that the more efficient and the more productive the farmer has become, the more he has been penalized for it.

These statistical facts might be continued. But we're not going to get down to bedrock until we realize that the qualities within our people, their hopes and ambitions and faith, are more important than bales of cotton, bushels of wheat or pounds of pork and beef. That, in truth, is what's wrong with the thinking of those who say the small farmer had better move to town or the city.

As Guests View the U. S.

About 1,600 Japanese have studied in the United States at universities since 1952. Recently about half of these were questioned about their impressions of America. Their answers proved interesting.

A sizable number, 15 per cent, disapproved of the freedom of contact between the sexes in the U. S. This undoubtedly stems from the rather rigid social and marriage codes in Japan.

American hospitality and friendliness were praised highly by the Japanese and many said it was greater than in Japan. The scholars also had high praise for the efficiency, convenience and comforts of American life. They said their pre-conceived notions about the U. S. had been altered considerably.

Another interesting point is that most Japanese interviewed were impressed more by the "spiritual quality" of American life than by the material advancement. Asked what they would like most to transplant to their homeland, a majority mentioned "the rational, practical and scientific approach to day-to-day living—the respect of the human individual."

A good intention clothes itself with power.—Emerson.

Never tell your resolution beforehand.—John Selden.

He that resolves upon any great and good end has, by that very resolution, scaled the chief barrier to it.—Tyron Edwards.

Action may not always bring happiness, but there is no happiness without action.—Benjamin Disraeli.

The actions of men are the best interpreters of their thoughts.—John Locke.

Poor Management?

I personally don't believe any nation should have any national debts. Seems to me, on the other hand, that a great nation like the United States should, in all its years of existence, have made a little money instead of having got about \$300,000,000,000 in debt.

A private corporation in business that long and that much in the red would figure it had done a pretty poor job. Even my little granddaughter, Muffie, has \$9.16 in her piggy bank. Looks as if the United States could have piled up at least \$15 or \$20 on the asset side in all these years.—Don Herold.

Editorial of the Week

TEACHING IS NOT SECURE.

Quality education these days cannot be bought in the bargain basement. Yet we keep trying to buy it there.

Teachers in our country make \$1,000 less than business or industry workers make and are expected to:

—Take charge of 25 to 40 children every school day;

—Get a college education and continue training on a lifetime basis;

—Be master of both subject matter and teaching technique;

—Dress well;

—Be firm, but patient and reasonable;

—Preserve our cultural heritage;

—Advance the frontiers of knowledge;

—Nurture the young genius; improve the average student; discover and assist the pupil with special problems;

—Participants in community affairs.

—Encourage thrift, hard work and clear thinking;

—Exemplify the ideals of democracy.

Maybe this kind of bargain is part of the reason why half of all the new teachers entering the profession today plan to leave teaching within five years.—The Texas Outlook.

RECALLING

Other Years

★ Being news items taken from old files of Your Home Town Newspaper, The Herald.

THIRTY YEARS AGO.

Checking over our old files of The Hamlin Herald, we find the following items of interest in the issue of March 8, 1929:

Contract was let this week by the City of Hamlin to Joe Winslett for \$108,600 for the construction of a city lake on the T Diamond Ranch north of the city about eight miles. The lake, to hold water for a city of 25,000 people, will be connected with an overhead tank of 100,000 gallons capacity in Hamlin. The contract includes construction of the overhead tank and the pipeline.

A religious census of the city of Hamlin is being planned by the churches of the city.

Dr. S. J. Burleson of San Angelo spent Tuesday night with his sister, Mrs. W. S. Burleson.

Dr. Alice Kilpatrick of Fort Worth was here this week visiting friends.

Mrs. C. G. Green returned last Thursday from Wolfe City, where she visited her mother and other relatives.

Ava Smith, formerly of Hamlin but recently of Altus, Oklahoma, has purchased the Gulf Service Station from Jones Boyd.

TWENTY YEARS AGO.

Among news briefs of interest in the Hamlin community 20 years ago were the following, reproduced from the issue of The Hamlin Herald dated March 10, 1939:

Joe Simpson Grocery advertises ice cream at 10 cents a pint.

Mr. and Mrs. I. R. Witt announce this week that they will move their jewelry store soon to the building formerly occupied by the Sam Adkins Grocery.

Considerable highway construction is underway in the Hamlin area. Workmen are working on the Hamlin-to-Rotan highway and the Hamlin-to-Sylvester stretch, and Highway 83 running north and south through the city is being widened.

Practically all of the land to be included in the site of the new Hamlin Lake south of town has been secured, and workmen are already on the job clearing the site of mesquite trees. About 1,900 acres will be covered by the lake site.

Jimmy Lasseter, son of Mr. and Mrs. W. F. Lasseter, has been in Three Rivers since December working.

TEN YEARS AGO.

From the files of The Hamlin Herald we reprint goings-on in the community 10 years ago, the briefs below being from the issue of March 4, 1949:

Leone Meadows of Wichita Falls spent the week-end in Hamlin as guest of her brother-in-law and sister, Dr. and Mrs. P. A. Fowler.

Mr. and Mrs. Earl Temple and son, Billy, of Lamesa, were guests of Mr. and Mrs. W. N. Temple and Ella Temple last week-end.

Max Murrell, son of Mr. and Mrs. Carl Murrell of Hamlin, now a student in Southern Methodist University at Dallas, has been chosen as an unofficial observer of the United Nations by the Methodist Board of Missions. He will go with a group from the Southwest to the United Nations and New York and later visit at Washington, D. C.

Loss estimated a \$100,000 last Friday was done by a fire at the General Crude Oil Company's No. 1 M. Flores well west of Hamlin.

FIVE YEARS AGO.

The following news briefs are reprinted from the issue of The Hamlin Herald dated March 5, 1954:

School tax collections have been good, says Haskell W. Carter, tax assessor-collector, who notes that about 99 per cent of the assessment for 1954 have been paid.

Small grain in the Hamlin territory is suffering for moisture. It is estimated that more than 40,000 acres in the Hamlin territory is seeded to wheat and oats.

H. C. Waggoner and wife, about 35, were seriously burned last Thursday evening at their home on South Central Avenue when an explosion from an open gas cook occurred. He is an oil field worker and trucker.

As deadline for filing neared this week, Willard Jones submitted his name as candidate for mayor, and B. O. Bell, L. E. Prewitt and Bill Seals placed their names on the city ticket for aldermen.

A survey of utilities meters in Hamlin this week reveals that the population of the city is now more than 4,000, compared with the official 1950 census count of 3,564.

Highway 83 between Anson and Abilene will be made four-lane under highway commission plans.

First Cattle Auction at Fort Worth in 36 Years Moves Record Numbers Fast

An overflow crowd attended the March 5 cattle auction at Fort Worth, and strong prices reflected very good demand for cattle from all parts of the country, declares Ted Gouldy, special market reporter for The Herald, in his weekly release. He continues: Higher quality cattle commanded especially strong prices.

The auction was the first at the Fort Worth market in 36 years and, despite the blustery weather, the big crowd stayed to the end as the 3,902 cattle and calves were sold. A total of 4,371 arrived for the sale. The unusual feature of having a special sale featuring private treaty, as well as auction selling, attracted a nation-wide attention.

Of the 3,902 sold, 149 head sold at private treaty. Some of the cattle brought less money at auction than private treaty early in the morning, and some of them brought more money at auction.

The cattle and calves grossed \$605,748.98 and averaged \$157.80 per head.

Manager Ted Gouldy of the Fort Worth Market Institute reported the directors had selected early April as the next special stocker and feeder sale in the series.

Veteran observers reported the speed with which the cattle moved through the ring was surprising and that probably a record for the number of cattle auctioned per hour was set in the first three hours of the sale. During this period carlots of mostly 35 to 40 head were sold, making the average per minute high. A total of 4,185 cattle moved through the arena in slightly over six hours' time. Of these, 3,640 sold and 545 were passed out.

Good and choice steer calves ranged from \$29 to \$39, and heifer calves sold from \$33 downward. Stocker steer yearlings cashed at

\$23 to \$33, and stocker cows ranged from \$200 to \$300 per pair.

Major and independent packers took a number of fat cattle and calves. Typical of the trade was the fact that many of the consignors of cattle also bought replacements. An example in point was Durward Lewter of the famous Lewter Feedlots at Lubbock, who sold two lots of steers weighing 1,195 and 1,174 pounds respectively, at \$26.60, and 25 fed heifers at 1,039 pounds at \$25.25 and in turn bought about 200 feeders to take back.

Slaughter lambs were strong to 50 cents higher there Monday. Good and choice slaughter spring lambs cashed at \$19 to \$21.50, and some mediums sold around \$18. Good and choice old crop woolled and shorn lambs sold from \$16.50 to \$18.50. Stocker and feeder shorn lambs drew \$15.50 to \$17.50, and woolled feeders ranged up to \$18.50. Slaughter goats sold at \$7.50, and some stocker goats cashed at \$9.50. Some woolled yearling and two-year-old wethers sold at \$16.

Cattle and calves were generally steady. Fed beef steers and yearlings were slow. Slaughter calves were very active and strong to \$1 higher.

Good and choice slaughter steers and yearlings sold from \$25.50 to \$30, the top figure for an individual club steer from the Dickens County 4-H and FFA show. Other steers in this group cleared at \$28 with two at \$26. Some weighty fed steers from Taylor County sold at \$26.50. Medium and plainer butcher cattle sold for \$17 to \$25.

Fat cows cleared at \$18 to \$21, and canners and cutters drew \$13 to \$18.50. Bulls sold from \$18 to \$23, with odd head higher.

Allie M. Whiteley, Long Time Hamlin Resident, Passes

Another old-timer of the Hamlin community, Miss Allie Mae Whiteley, 84-year-old resident of the community for more than half a century, passed to her reward last Wednesday morning at Sweet, following a four-year period of illness.

Born May 2, 1875, at Sparta, Texas, she was the daughter of Captain and Mrs. John R. Whiteley. She was a member of the First Methodist Church.

Funeral services were conducted for the octogenarian Saturday morning at 10:00 o'clock at the Hamlin Funeral Home. Officiating was Rev. Edmund W. Robb, pastor of the First Methodist Church.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Fred B. Moore Sr., Arlie Castle, Everett Crow and Wesley Nail.

Surviving the long time resident of the community is one sister, Miss Mettie Pearl Whiteley of Hamlin.

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over ruts and jagged stumps... then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the

way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

Today, it's grit that Chevy's showing the trucking industry. Real toughness that pays off in job-after-job dependability... in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck!

MONEY ANYWAY.

"Everyone is accusing me of having married my husband for his money," said a glamorous blonde to her lawyer, "but actually that's what I want to divorce him for."

GRAND CHAMPION OF HOUSTON SHOW—Billy Holcomb, 17-year-old Seminole boy, waves jubilantly to the huge crowd at the Houston Fat Stock Show after his 1,100-pound Aberdeen-Angus steer was named grand champion. The steer, named Sparkplug, brought \$11,000 on the auction block.

Newberry Attends Oil Belt Teachers' Meet at Wichita Falls

B. V. Newberry, Hamlin High School principal, was among the scores of West Central Texas school teachers and administrators who attended the annual convention of the Oil Belt District of the Texas State Teachers Association last Friday and Saturday at Wichita Falls.

Newberry was a member of the house of delegates, representing the Jones County unit of the teacher group. Others from this area in the house of delegates were Mrs. Betty Strayhorn of Rotan, Mrs. Joe Breed of Anson, Hansel Pearce of Aspermont and Delton Stille of Throckmorton.

Activities included two general assembly meetings, 19 luncheon sessions, four afternoon group meetings and three dinner meetings.

Vernon was chosen as site of the 1961 convention. Sweetwater was chosen last year as the 1960 site.

Filing Income Tax Return Early Urged By Revenue Service

It always pays to file your income tax early or at least to start work on your income tax return early, declares Tax Man Sam in a release to The Herald. About one-third of our taxpayers are affected with tired blood when it comes to the distasteful task of preparing a tax return each year. Of course, a lot of taxpayers can hardly wait for January 1 to roll around each year so they can file their tax returns and get their refund checks. Unfortunately, there are more late filers than there are early filers.

A large number of the approximate 700,000 Texans who receive a refund check each year wait until the last possible minute to work on their tax return. Right now the several hundred thousand taxpayers in North Texas have not taken the time to read the tax instructions, work out their return so the Internal Revenue can work on that refund check. Maybe you should start on your spring tonic early so you can file your tax return now.

District 4-H Club Council Sessions Scheduled at Roby

Representatives of the District III 4-H Club Council will meet at Roby Saturday, March 14, in the agriculture building on the fair grounds.

The council is made up of one boy and one girl from each of the 22 counties in District III. Officers of the council will be in charge of the meeting. The session will start at 10:30 a. m. with registration by Fisher County 4-H Club members. Fisher County will lead the group in recreation until 12:00 noon. Mid-West Electric Cooperative is sponsoring the noon meal. The business meeting will begin at 1:00 o'clock p. m.

Fisher County delegates elected to attend this meeting are Frances Hill of Sylvester and Russell Green of Capitola. Both are members of the Fisher County Junior Leaders 4-H Club.

Anyone interested in 4-H Club work is invited to attend the business meeting at 1:00 p. m. and get a glimpse of what 4-H Clubs in other counties are doing, as well as to learn how 4-H Club members carry on their business meetings, it is announced by Alice L. Kemp, Fisher County home demonstration agent, one of the sponsors of 4-H Work.

Massachusetts is known as the Bay State.

Slight Gain Recorded By Sunday Schools Over Previous Week

Another slight gain in attendance was recorded Sunday by the Sunday Schools of the Hamlin churches reporting to The Herald. The 1,278 total was 25 more than the previous week's 1,253, and 55 more than the year ago total of 1,223.

Attendance, by churches, for March 8, March 1 and a year ago follows:

LOGICAL QUESTION.

Concerning the influence of TV Western movies on the small fry, we might mention a young relative of ours who, when told that his uncle had passed away, asked quickly, "Who shot him?"

SELLING THE BOSS.

"You told me how good you were when I hired you two weeks ago," said a foreman to one of his men. "Now tell me all over again; I'm getting discouraged."

DIAGNOSING DIFFICULTY.

"My husband," complained the irate cannibal lady to the witch doctor, "is getting to be a problem. He's grouchy, nasty and unpleasant to all our friends. What do you think is wrong with him?"

"Maybe," said the witch doctor to the cannibal lady, "he's just fed up with people."

PUNNY AT THAT.

"Hey!" yelled the diner in a cafe, "this soup's not fit to eat!" "Who told you so?" cracked the waiter.

"If you must know," retorted the diner meekly, "it was a little swallow."

In Texas... Ford is the best buy...

...and it's the "best-looker" too

Point Texans to choose the one new car that's beautifully possible

This year, with a wide choice of designs, Texans have made their minds up overwhelmingly for the spectacular 59 Ford.

Ford has the classic simplicity that people of good taste prefer... wonderfully crisp and clean lines without brassy ostentation.

And just see how sensible this beauty really is. Discover how Ford is built for people. Notice how the extra-wide doors open all the way out... make it easier to enter. See how all six passengers—even the man in the middle—have the comfort of

real-depth cushions. There's plenty of leg, hip and head room, too.

Of course, every inch of every Ford is built for savings. Ford's standard engines, Six or Thunderbird V-8, thrive on regular gas, saving you up to \$1.00 per tankful. Ford's new aluminumized muffler is built for double life. You can save on oil, too... for Ford needs a change only each 4000 miles. And Ford's Diamond Lustre Finish never needs waxing.

With all this new beauty and economy, is it any wonder Ford's

out front for '59? Come see the car acclaimed by Texans... now on display at your Ford Dealer's.

For the most beautiful name of all, come in and check Ford's amazingly low price... the lowest price of the top-selling three. And check the cost of ownership, too. You'll find the savings are even bigger!

Ann Richey, Hamlin FHA Girl, Named State Officer at Stephenville Session

Ann Richey, member of the Hamlin High School chapter of Future Homemakers of America, was elected as a state officer of the FFA at the Area IV meeting held last week-end at Tarleton State College at Stephenville.

Ginger Rabjohn, also of Hamlin, the outgoing area president, presided over the meeting, and Sherry Faye Stephens of Stephenville had charge of the program. The session had as its theme

"Alice in Home Economics Land" and a number of skits were presented showing the use of home economics in careers.

An enlightening and inspiring speech was given by Mrs. Woodson Arms of Fort Worth on the greatest career of all—that of home economics.

Ann, who is the daughter of Mrs. Jack Richey, has served as vice president of her local chapter this year. She is an active member of the First Methodist Church, a member of the National Honor Society, the Pied Piper Band, Student Council and is on the Pied Piper newspaper staff.

Those leaving Hamlin for the Friday session were Ann Richey, Ginger Rabjohn, Mrs. Edith Carter, sponsor, and Rebecca Ferguson, who played the organ for several occasions and acted as a voting delegate from Hamlin.

Attending the Saturday session were Jennie Law, Myra Siburt, Jorene Husepeth, Reta Maynard, DeNetta McCracken, Nancy Carter, Melinda Martin, Mrs. Harry Martin, Mrs. Thomas Ferguson, Mrs. Joe Stephens, Mrs. G. H. Rabjohn and Mrs. Jack Richey.

Phillips TU Group of North Central Church Meets with Rhotons

Members of the Phillips Training Union of the North Central Avenue Baptist Church met in their regular monthly business and social meeting last Friday evening in the home of Mr. and Mrs. Robert Rhoton Sr.

Following opening prayer by E. B. Hopper, Mrs. L. H. Clark presided at the business session in the absence of the president, Mrs. V. Madden. Officers for the ensuing six-month period beginning April 1 were elected.

Mrs. Geneva Cross brought the devotional on "Shipp's Reading from John." Games for the group were directed by Mrs. Rhoton. Closing prayer was offered by R. A. Cary.

A wiener roast was enjoyed by the attendants. Present were Mr. and Mrs. E. B. Hopper and Jane, Mr. and Mrs. D. A. Mullings and David, Mr. and Mrs. L. H. Clark, Mr. and Mrs. Vic Goodgame, Mr. and Mrs. J. H. Lee, Mrs. Geneva Cross, Mrs. G. B. Phillips, R. A. Cary, Jack Tolbert and Mr. and Mrs. Robert Rhoton Sr.

Next meeting of the group will be in the home of Mr. and Mrs. Harold Lee on April 3.

HHS Homemakers Study Furniture Style

Members of the Hamlin High School homemaking II class made a trip to Abilene Monday to study the place of furniture in the modern home.

Sam Waldrop, president of the Texas Retail Furniture Dealers Association, discussed furniture trends, combinations of furniture styles, construction of good furniture and accessories. The group was also shown how draperies are made.

Sponsors accompanying the girls were Mrs. Camille Simmons and Mrs. Edith Carter.

TEXAS' Betty Crocker Homemaker of Tomorrow is 17-year-old Grace Rose of Gladewater Senior High School. She will receive a \$1,500 scholarship from General Mills for gaining the highest score in the state in a written homemaking examination.

Gladewater School Girl Named Texas Homemaker for 1959

Texas' Betty Crocker Homemaker of Tomorrow is Grace Rose of Gladewater Senior High School. Joan Hallum was Hamlin High School entry in the contest.

Miss Rose, daughter of Mr. and Mrs. W. H. Rose, received the highest rating in a written examination on homemaking knowledge and attitudes administered to 15,437 senior girls in 669 schools throughout Texas. She will receive a \$1,500 scholarship from General Mills and becomes a candidate with 47 other state winners and the representative from the District of Columbia for the title of All-American Homemaker of Tomorrow.

On April 4 all state winners and their school advisors will begin an expense-paid tour of Washington, D. C., Williamsburg, Virginia, and New York City. The tour will end in Minneapolis, Minnesota, on April 10, where the All-American Homemaker of Tomorrow will be announced at the American table dinner in the Leamington Hotel. Score in the original test and personal observation on this tour will be the basis for selection of the national winner, whose scholarship will be increased to \$5,000.

Dixie Hughton of San Marcos High School rated second in Texas and will receive a \$500 scholarship.

Hamlin Leaders for Camp Fire Girls Unit Organize for Year

Leaders of the Camp Fire Girls in the Hamlin community held an organizational meeting for the coming year. Officers for the new year were elected as follows: Mrs. Letha Brannon, chairman; Mrs. Gabie Hawkins, vice chairman of Camp Fire Girls; Mrs. Billie Merle Wicker, vice chairman of Bluebirds; Mrs. Jean Elliott, secretary; Mrs. Topsy Vaughan, reporter; Mmes. Ruth Nail, Lucille Cunningham and Lillian Daniels, telephone committee; Mmes. Almeda Young, Joe Husepeth and Elaine Perrin, program committee; Mmes. Hopie Blanton, Ruby Smith, Arlene Bayouth and Ann Margaret Johnson, candy committee.

It was reported that the sale of Camp Fire Girl candy by the various girls' groups is going very good.

Beta Sigma Phi Meets In Andrews Home for Italian Supper Party

Members and guests of the Beta Theta chapter of Beta Sigma Phi met Monday evening in the home of Mrs. D. C. Andrews for an Italian supper party, which highlighted the group's spring rushing season. Individual tables were covered with red and white checkered cloths and centered with candles in multi-color waxed bottles. The buffet was attractively arranged and covered with an interesting assortment of Italian foods.

After the dinner Mrs. Duane Stallcup introduced the guests and welcomed them to the chapter party. Following this, all members participated in a question and answer session designed to acquaint the guests with the history of Beta Sigma Phi and with some of the sorority's many projects.

Those attending the party were Mmes. L. C. Bonds, Garland Preston, Guy Weaver, Duane Stallcup, Jimmy Vaughan, Neil Laminack, Billy Joe Wilson, James Harrison, W. A. Hawkins, Robert Fowler, Max Murrell, Bill Foster, Wilson Brannon, Ed Boaz and R. L. McClung.

Playlet Presented at Wesleyan Guild Meet

At the regular meeting of the Wesleyan Service Guild of the First Methodist Church last week members of the Woman's Society of Christian Service presented a playlet, "Behold Your God," based on the book of Isaiah. Characters in the play were Mmes. John D. Ferguson, Mary Ballard, L. H. McBride, Brad Rowland, Parker Kelly, Phil Smith and Nettie Hackley. Directors were Mmes. Tom Teague and Phil Smith.

The guild program, "One in Christ," was presented by Lulan Vaughan, Mrs. Joe Stephens, Mrs. E. M. Wilson and Viola Avants.

Texas Day Theme at Fifty-Two Study Meet

Texas Day was the theme when 15 members of the Fifty-Two Study Club and one associate member, Mrs. E. J. Hawkins, met at the home of Mrs. F. E. Bayouth last Friday.

After a roll call on famous ranches and cattle brands of Texas, Mrs. Zenobia Enkie of Anson gave a review on "The King Ranch" by Tom Lea.

Mrs. Irby Weaver announced that the club took nine awards at the fifty-seventh annual convention of the 101 clubs of First District at Mineral Wells on March 2 and 3. She will give a full report on the convention at the next meeting of the club on March 20.

Mrs. Austin Siburt Speaks at Meeting of Beta Theta Chapter

Members of the Beta Theta chapter of Beta Theta Phi met Wednesday afternoon in the home of Mrs. Guy Weaver.

Delicious refreshments were served by the hostess to the following women as they arrived: Mmes. Duane Stallcup, Billy Joe Wilson, D. C. Andrews, R. L. McClung, Neil Laminack, W. A. Hawkins and Austin Siburt.

Mrs. Farland Preston was in charge of the program and had as her guest speaker Mrs. Austin Siburt, who brought the group an excellent program entitled "The Art of Thinking."

After the program Mrs. Billy Joe Wilson presided over a short business session at which time Mrs. Wilson Brannon was elected to represent the chapter as its delegate to the Hamlin Foundation. The group also voted to help in the sale of Easter lilies which will be staged in Hamlin on March 21.

Mrs. Ned Moore Goes To District Federation

Mrs. Ned Moore attended the fifty-seventh annual convention of the First District of Texas Federation of Women's Club, held March 2 and 3 at Mineral Wells as a representative of the Woman's Literary Club.

Mrs. Moore also was chairman for the First District of the crime prevention division.

Theme for the two-day convention, that attracted several hundred women of West and Central Texas, was "Existence Justified with Worthwhile Service."

Camp Fire Leaders Make Plans for Camp

Leaders' group of Camp Fire Girls met at the hut last week-end in their regular monthly meeting. All leaders, assistant leaders and sponsors were present.

Mrs. John C. Bryant reported that the candy sale was a success. A record player, folding tables and some chairs have been bought for the hut, it was reported.

A camp committee was elected. On the group are Mrs. Louie Cunningham, chairman, Mrs. Ray Johnson and Mrs. Jack Kelly. Plans for the summer camp were discussed.

Methodist Women of Area to Attend Conference at Midland Next Week

Methodist women of the Hamlin area will join others of Central West Texas when the Woman's Society of Christian Service of the Northwest Texas Methodist Conference meets in its eighteenth annual gathering at the First Methodist Church in Midland.

Homemakers from DePriest School Go to District Conference

Members of the Negro Homemakers Association of DePriest Colored High School attended the West Texas District NHA Conference on February 28 at Midland.

Theme of the meeting was "Leaders • Training Prescription." Thirty girls, accompanied by Mrs. E. F. Ford, sponsor, and Principal E. S. Morgan and Noble Canida, attended the meeting.

Hamlin chapter appeared on the talent show and the fashion show, held in conjunction with the conference.

Juanita Douglas of Hamlin was elected first vice president of the West Texas district in the business session.

The following girls will attend the state NHA meeting, to be held at Prairie View A. & M. College on March 20 and 21: Juanita Douglas, Eula Davis, Etta Martin, Marie Griffin and Juanita Bass.

Midland next Tuesday and continues through Thursday noon March 19.

Mrs. E. T. Pittard of Anson conference president, will preside during the sessions. Registration will begin at 9:30 a. m. Tuesday and session will begin at 11:15 p. m.

Theme of the meeting will be "Walk in the Light." A huge candle will be the main worship setting, made from molten wax of candles sent in by local societies. This candle will burn at different times during the meeting.

Principal speakers will be Mrs. Wayne Harrington of York, Nebraska, treasurer of the WSCS of South Central jurisdiction; Ollie Williams, deaconess of Eloy Community Center, Eloy, Arizona; Rev. J. B. Holt of Manila Philippine Islands; and Mrs. Pittard, who will give the president's address.

Principal items of business will be the reports of the conference officers and the nine district presidents, and plans for next year. Among those attending from Hamlin will be Mrs. Richard Young Jr., local WSCS of First Methodist Church; and Mrs. A. A. Hackley, president of the Stamford district.

TEXAS PRESS ASSOCIATION

Austin—If you can't beat it, don't knock it.

That sentiment, in various form, is being often expressed by legislators struggling to write tax bills to fill the yawning holes in the state's money supply.

People who come before the Legislature to oppose a money raising proposal usually get a tart invitation to come up with a better one.

Opponents of a tobacco tax plan got short shrift before the House committee. "If you come criticizing, don't you think you should come up with some solution to the tax problem?" asked Representative H. J. Blanchard of Lubbock.

Similarly, anyone who comes to push a money spending bill is challenged to produce a money-making bill to match it.

Representative Don Gladden of Fort Worth drew cheers from fellow House members when he criticized the approach of a teachers' letter writing campaign. Gladden said the teachers had been instructed to ask for higher pay but make no statement on what taxes they would favor.

Rocky Road.—Overall, the tax picture is still "all shook up."

Representative Jamie Clements' bill to remove the tax exemption on cigarettes sold on military bases was sent by the House taxation committee to Attorney General Wilson. Question to Wilson is whether the state can collect a tax from a federal agency.

A proposed liquor tax hike suddenly gained redoubled potency when the sponsor, Representative Pete Lavelle tacked on an amendment that would legalize liquor-by-the-drink sales. Governor Daniel, who had urged the original bill, promptly protested. Bill was sent to sub-committee for study.

House appropriations committee apparently is taking note of the tax committee's rocky road. It is reportedly doing some painful paring of spending requests.

Wide Open Field.—Many more "little tax" ideas meanwhile are swirling about. Most apparently are aimed at avoiding a bitter deadlock over a new "big tax."

Representative Rufus Kilpatrick of Beaumont introduced a bill to tax gross receipts of scrap metal sale, and Representative W. T. Oliver of Port Neches, a five per cent gross receipts tax on advertising sold by newspapers, radio and TV stations and billboards. Oliver also is said to be considering taxes on phonograph records and parking lots.

Other possibilities being discussed are: (1) A 1.5 per cent general sales tax, exempting food, seed and fertilizer, by Representative Frates Seeligion of San Antonio; (2) an across-the-board increase in the omnibus tax system which includes almost all present levies; (3) a registration fee for airplanes, similar to auto licensing.

Representative Homer Koliba of Columbus said he would prefer to raise money through legalized liquor-by-the-drink and horse racing, heavily taxed, than by a general sales tax.

High Voltage Issue.—House state affairs committee will take on a supercharged issue March 16—the long struggle between private utilities and REA co-ops.

REAs are seeking a law that would assure their being able to continue to operate in a one-rural area after it is annexed by a city. Under the measure sponsored by Representative Alonzo Jamison of Denton, the co-ops could serve old customers and recruit new ones for a period of 10 years. After this, a municipal franchise would be required.

Private power companies, offering stiff opposition, say the non-taxpaying co-ops want to spread through the cities, socialize the power industry. Co-ops retort that they are being swallowed up—by spreading cities.

Re-Organization Asked.—A bill has been introduced to reorganize the State Insurance Department, which was reorganized by the Legislature two years ago.

Representative George Cook's measure would set up a part time board of nine members "familiar with the insurance field."

Cook indicated the proposal was in answer to complaints that the present three-member board (1) does not represent industry; and (2) serves full-time, contrary to "legislative intent."

Keeping the Sabbath.—Sunday beer buying seems likely to continue, but not Sunday auto buying.

KERRY DRAKE

FUNNY! THAT CLERK ASKED WHAT MY NAME IS... AND I COULDN'T TELL HIM!

AND THIS ROOM! WHAT AM I DOING IN A RATHOLE LIKE THIS?

GOT TO GET AWAY FROM HERE! ...TOMORR!

A bill to ban beer sales on Sunday and after 10:00 p. m. on weekdays has been sent to an unfriendly House sub-committee. A spokesman for "drys" irritated committee members from beer drinking areas by implying use of beer "separated the saved from the unsaved."

Senate transportation committee approved of the ban of Sunday auto sales, after dealers presented a solid front of support. Only opponents were representatives of Seventh Day Adventists, who observe Saturday as their day of worship.

College Expansion Okayed.—Elimination of two junior colleges—Arlington State and John Tarleton—to full four-year status has been approved by the House.

Economy advocates protested that "we have 16 fully supported state four-year colleges now—more than any other state."

But supporters replied that no additional appropriation would be needed immediately.

"Little Hoover" Bill.—Creation of a state commission to conduct an efficiency study—similar to the Hoover Commission for federal government—has gained approval of the House.

Representative Dick Cory of Victoria, sponsor, pointed out that the Hoover Commission resulted in a \$7,000,000,000 savings in its first year.

Opponents protested the Cory commission would be just another money-spending state agency. Cory contended the \$100,000 it would cost would be regained many times.

Commission would be made up of one senator, one representative and 10 persons from private life.

ANCESTRY IN QUESTION.

The boastful young man had the floor. "Yes," he declared, "my family can trace its ancestry back to William the Conqueror."

"I suppose," sneered a listener, "you'll be telling us that your ancestors were in Noah's Ark."

"Certainly not," said the boaster; "my people had a boat of their own."

Bobby Ellison Takes Marine Combat Stint

Marine Private Bobby R. Ellison, son of Mr. and Mrs. L. N. Ellison of Route 3, Hamlin, on March 2 completed four weeks of individual combat training at the Marine Corps Base, Camp Pendleton, California, according to a release to The Herald.

The course included the latest military tactics—first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, trucks drivers or with aviation units.

BCD Needs Community Support

With the installation of new officers recently by the Hamlin Board of Community Development, and accompanying outlining of work for the new committees by BCD President Fred B. Moore Jr., a progressive year is foreseen for this civic organization. We bespeak for the community continued marks of growth and progress.

The Board of Community Development is the melting pot many worthwhile ideas of growth and progress for the community. It is well known that ideas can be carried into fruition by teamwork through such an organization.

Southwestern Bell Telephone Company is proud to be a member of the Board of Community Development. We urge its support by all civic minded people of the community. We and others want to see Hamlin community grow. We want to be a part of that growth.

A Part of Good Living

Nowadays, we hear the term "good living" quite often. I have a few ideas about it, but to find out what it means to other people, I brought up the subject with a group of friends a week or so ago.

Before the "good living" talk was over and the coffee served, one of the women made music for my ears by saying that the telephones in color in her home are certainly an important part of good living.

Everyone seemed to agree, and that gave me a chance to point out that extra telephones in bedrooms and kitchens are low in cost, too—just \$1.00 a month plus installation. For color, you know, there's a one-time charge of \$10.

P. S.—I sold a couple, too.

Looking Ahead to Easter

Easter Sunday, to most of us, is a happy, dress-up, go-to-church day for all the family. And I hope you and your family will all be together for a Happy Easter.

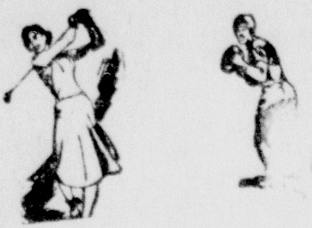

Unfortunately, some families are scattered and won't be gathered around the table for the carving of the ham.

For these families, a Long Distance visit or two by telephone is the answer. It's the next best thing to being there in person, and everyone has fun on an out-of-town call.

Naturally, low Sunday rates will be in effect. And if you call station-to-station, you can talk longer for less.

Call by number. It's twice as fast.

10 Area Schools Enter Teams In Hamlin Junior Track Meet

More Than 200 Young Athletes Expected in Meet

More than 200 young athletes from the eighth and ninth grades of 10 junior high schools of the Hamlin territory will converge Saturday on Hamlin to participate in the first such invitational track and field meet, declares Jimmy Vaughan, track and field coach at Hamlin High School.

Most of the schools have already accepted the invitation to compete at mid-week, and other acceptances were expected by the time The Herald went into the mails.

Entrants are expected in the two divisions of events from Anson, Haskell, Stamford, Seymour, Olney, Rotan, Albany, Roby and Merkel, along with players from Hamlin.

Vaughan is working with the ninth graders of Hamlin High School, Coach Harry Martin and Principal Marvin Carlton of Hamlin Junior High School are working with the eighth graders.

The events, which will embrace most of the usual contests in track and field competition, will be staged at the school track on the west side of Pied Piper stadium. Contests will get underway about 9:00 o'clock.

Trophies will be awarded to the two schools in each of the eighth and ninth grade divisions making the highest number of points for the events. The trophies are being provided by the Hamlin Board of Community Development.

Ribbons will be awarded to individual event winners for the first, second, third and fourth places, school officials announce.

Coyotes, Bobcat and 3,500 Rabbits Killed In Drive at Neinda

Several coyotes, one bobcat and an estimated 3,500 rabbits bit the dust in the rabbit drive staged Tuesday in the Neinda community, six miles south of Hamlin.

About 400 people attended the all-day hunt, and the hunters shot an estimated 5,000 rounds of ammunition.

A barbecue dinner was served at the Neinda community center at the noon hour. Men and women of the community served the huge crowd.

C. E. Gregory, one of the promoters of the hunt, asked The Herald to publicly thank the following Hamlin merchants for material assistance in providing the noon meal for the hunters: Hamlin Motor Company, Market Poultry & Egg Company, Kincaid Butane Company, E. C. Feagan, Inc., Moore Grain Company, Jess Young, Howard City Drug, Bryan Lumber Company, Rockwell Bros. & Company, Carlton Hardware, Farmers Corn Gin of Hamlin, Western Co., Midwest Oil Mill, F. & M. National Bank, O. D. Roland and Alton Mayfield.

LAYING DOWN THE LAW

After a day of complete harassment, the mother shook her finger at her small, onery youngster.

"All right, Junior!" she shouted. "Do anything you darn please! Now let me see you disobey that!"

As stated previously, this is the first such tournament to be held in this section. If it proves successful, subsequent events of this nature will be planned, said athletic workers of the local schools.

HHS to Enter Tarleton Relays Next Week

Athletes from Hamlin High School will go next week-end, Saturday, March 21, to the Tarleton State College Relays staged at Stephenville, it is announced by Jimmy Vaughan, track coach at HHS.

A full complement of some 25 boys will make the trip and participate in most of the events scheduled for the all-day affair. An estimated 50 to 75 schools will be represented in the tournament.

Ted K. Wright Takes Part in Anti-Sub Trial

Ted K. Wright, electronics technician third class in the U. S. Navy, son of Mr. and Mrs. Jack Wright of Hamlin, aboard the destroyer USS Agerholm, took part in an anti-submarine warfare exercise from February 16 to 19 off the coast of Southern California.

"Skynet," formed of vessels of the U. S. First Fleet and several units of the Naval Reserve, was divided into two teams, the Blue defenses and the Purple aggressors.

The Blue surface and air forces were seeking to prevent the Purple force submarines from breaking through a 600-mile seaward barrier off the coast.

The exercise was conducted under the operational control of Vice Admiral R. E. Libby, the commander of the First Fleet.

McCauley Dropped By Bovina Girls in Regional Cage Meet

Rochester and McCauley girls' basketball teams both bowed out of the Region I-B girls' basketball tournament at Canyon last Friday as this area's representatives out of the state running for championship.

Rochester put up a good battle before going down 51 to 46 to Texline. McCauley trailed only 36 to 32 at the half before defending regional champion Bovina turned on the steam for a 68 to 49 victory.

In other first round games Bula thumped Lakeview 38 to 26, and Wellman blasted Wheeler 67 to 51.

Murrell Davis with 25 and Mary Current with 20 led McCauley's girls in scoring, but Ann Richards tallied 36 for Bovina for top scoring honors for Bovina.

The McCauley girls wound up the season with a 23 won and seven lost record.

FORCE OF HABIT

"Why did you tear the back part out of that new book?" asked the long suffering wife of the absent minded doctor.

"Excuse me, dear," said the famous surgeon, "the part you speak of was labelled 'Appendix' and I took it out without thinking."

Bynum Perryman Dies in Oil Field Explosion Mishap

Funeral services for Bynum (Doc) Perryman, 46-year-old oil field worker, were conducted at the graveside in McCauley Cemetery last Friday afternoon at 3:00 o'clock. Rev. Otis Perry of Big Spring officiated.

Perryman, a native of Anson and resident of this area during his boyhood and early manhood, was killed in an oil field accident near Artesia, New Mexico, last Tuesday. He had made his home at Artesia for about 10 years. His death resulted from a field tank explosion.

Born at Anson on October 22, 1913, he was the son of Mr. and Mrs. William C. Perryman. He married the former Floy Woods at Carlsbad, New Mexico, on June 12, 1948. He had been working in the oil fields of West Texas and Eastern New Mexico for several years. He was a member of the Veterans of Foreign Wars.

Surviving Perryman are his wife, Floy Perryman; one daughter, Mrs. Jennell Hair of Tulsa, Oklahoma; two brothers, Roscoe Perryman of Hamlin and Jesse Perryman of Big Spring; and four sisters, Mrs. Cora Fenton of Tahoka, Mrs. Virgil Rogers of Hamlin, Mrs. Ruth ... of Sweetwater and Mrs. ... Gilliland of Big Spring.

Winters Takes Both Trophies in Saturday Area Band Festival

Winters High School Band won both trophies for Class AA bands in the sixth annual band festival held Saturday at Sweetwater, in which the 60-piece Hamlin High School Band was entered.

First place trophies, furnished by the Board of City Development, were presented by Sweetwater Superintendent of Schools Olaf South. Awards were for sight reading, concert playing and marching.

The Pied Piper Band, under direction of Mac Fullerton, looked and sounded good in the festival, spectators declared, but recognition was given only to the first place winners.

A total of 1,200 musicians representing 20 high schools and junior high school bands participated in a mass band concert following a parade in downtown Sweetwater Saturday afternoon. Warm-up sessions were held at the First Methodist Church Saturday morning before the competition.

Hamlin Children Get Dental Examinations

Dental Health Week was observed in Hamlin public schools from February 19 to 26, according to Mrs. Bill Davis, school health nurse.

This is an annual affair when the local dentists go by invitation of the school nurse to check each child's teeth. Dr. Joe McCrary and Dr. James Harrison gave their time and service.

The doctors were assisted by the following women of the Parent-Teacher Association: Mmes. O. H. Weaver, Vesta Townley, L. C. Bonds, Lawrence Gage, J. T. Cox, Clyde Brown, E. D. Perrin, E. J. Hawkins, M. L. Smith and Weldon Carlton.

Russells Gain Goal of 1,000 Rattlers for Year

Mr. and Mrs. Jack Russell first of the week realized a new kind of ambition while participating in the Rattlesnake Roundup at Sweetwater.

For several months the couple, often accompanied by friends of the Hamlin area, have been snaring rattlesnakes as a hobby. At the beginning of the season last November they set a goal of 1,000 rattlers for the year. Sunday, when they were members of the high snake catching party of hunters, they passed the 1,000 snake mark.

Carol originally meant a song accompanied by dancing.

Completions Mark Oil Activity in Region for Week

Three completions have highlighted the oil activity scene in the Hamlin section the past several days.

Joe Salita and Dorman Anderson of Wichita Falls completed their No. 2 Scott-Turner test in Section 124, B. B. B. & C. Railway Co. Survey as a Tannehill producer five-eighths of a mile southwest of Stonewall County's SCL Tannehill pool in Northern Jones County. The well pumped 154 barrels of 38-gravity oil daily through perforations at 2,455 to 2,470 feet. Operators will ask for a discovery allowable.

Jim B. Curry et al of Abilene completed two wells in the Carol Ann (Upper Tannehill) Field, six miles northeast of Hamlin.

No. 1 M. J. Miller, in Section 151, B. B. B. & C. Railway Company Survey, had a daily potential of 73 barrels of 36.7-gravity oil and 10 per cent water, pumping from 20 perforations at 2,649-54 feet. Casing was set at 2,698 feet, with hole bottomed at 2,700.

No. 5 Kenneth Scott, in Section 152, B. B. B. & C. Survey, pumped 68 barrels of 36.7-gravity oil daily plus 20 per cent water, from open hole at 2,647-56 feet. Pay was topped at 2,646 feet.

MAN OF COURAGE

"It appears to me," said the employment manager to the wife of a prospective employee, "that your husband has been fired from every job he ever held."

"That's right," admitted the wife loyally, "and it does prove one thing—Henry's no quitter!"

What a man gets out of the world today depends largely on what he puts into it.

The almighty dollar commands a lot of respect. But it doesn't go as far as politeness.

LOOKING AHEAD.
Take a real interest in the future—that's where you're going to spend much of your life.
The Liberty Bell was cracked in 1835 when it tolled for the death of Chief Justice John Marshall.

ABOUT THAT WAY.
The old-timer defines war as follows: "First you lick 'em, then you feed 'em, and then you finance 'em."
Today nothing seems to succeed like the appearance of success.

FAIR COMMENT.
"Is it true that it's good luck for a black cat to follow you?" asked a wife of her husband.
"Depends on whether you're a man or a mouse," was the reply.
Bermuda grass thrives best in the extreme South.

MERCURY GIVES YOU MORE CUSHIONING, COMFORT AND ROOM THAN ANY CAR IN ITS FIELD

Here's how: Mercury, alone in its field, has a body designed for just *one* car. Other manufacturers give you—even on cars priced into Mercury's class—the very same body used on their lowest priced makes. That's why Mercury alone can cut the center hump in half, widen the door openings 4 inches, add 9 inches more knee room, provide unequalled 6-passenger visibility and comfort all around. Come on in. You'll see!
